

Materials List

Drawing Studio - Instructor Robert Caldwell

These materials can easily be ordered from [Blick Art Materials](#) and are usually delivered to your front door in about a week's time if everything is in stock. Robert's suggestion is to give the order two weeks for delivery. The Value Finder (pictured below) that is on the Blick Art Materials website is the specific value finder that Robert would like his students to have.

If you have any questions about the drawing materials, please contact Robert at instruction@rlcaldwell.com.
